

MOTIVATION LETTER
FOR ENGINEERING PROJECTS MANAGEMENT TEAM-PROJECT
MANAGEMENT OFFICE

Dear Sir/Madam,

I have been working in my field of study for more than twelve years; and here I have listed the reasons which make me an ideal candidate for this specific position and the visions I will do all my best for its realization.

List of skills and experiences which makes me an ideal candidate for this position:-

- I have been gathering a project management experience as a site engineer, quality control engineer, construction engineer and project manager.
- From my twelve years experience, one year and above of my experience is in this specific duty i.e project management, and in addition to this, I have a five years and above banking experience in Civil Engineering by an officer and senior positions.
- For the last five years (since the day I joined this bank), though I have been participating in many different tasks, I did not have any disciplinary or criminal record.
- I have a professional engineer IV professional licence from the ministry of construction and a professional engineer III professional licence from Ministry of Water and Irrigation.

My visions for the bank's project management office:-

- Creating a uniform project management approach.
- Creating a well organized and experienced project management team.
- Having a consistent project management skill development training manuals.
- Creating a model project management office which will have a strong positive impact on reducing the project management problems of the country.

I would appreciate the opportunity to meet you for further discussion on my abilities.
