

Application Letter

1. Name of Applicant:-Yirga Molla Addisu

2. Educational Background

- BSC in plant science
- MA in project planning and management

3. General Experience

I have gained more than 12 years general work experience in different organizations with the following positions;

- Instructor of plant science at Burie College of Agriculture
- Grain Inventory controller at ECX , Burie Branch
- Lead inventory controller of Coffee at ECX Hawassa Branch
- Senior loan officer at DBE ,Dollo_Ado Branch
- Loan approval member at DBE, Gambella District
- Project review team manager at DBE,Gambella District

I have got more than four years managerial experience in planning, organizing, directing and controlling of activities and appropriate ways of financing agricultural projects while I have been working in DBE,Gambella district. I have also learnt that team building and coordination of subordinates are critical factors for achieving objectives of our bank.

In addition, I have gained practical experiences with regard to management of large scale agricultural investment project during conducting my thesis for the partial fulfillment of MA degree in project planning and management which is entitled as *Managerial competencies and the success of large scale Agricultural investment projects in Gambella Woreda.*

Thus, I will contribute a lot to DBE by making right decisions that enable to solve problems in financing agricultural projects if I will be assigned as being Director for Horticulture and Forestry directorate under corporate Agricultural financing.
