

## **Development Bank of Ethiopia**

Letter of Intent for the position of Manager,

Dear Sir/Madam,

I am writing to formally request that you consider me for position Manager Construction team mining energy and construction appraisal division. As you are aware, I have had extensive experience in engineering appraisal for the past 7 years in Appraisal directorates as senior Civil Engineer. I have been working with our bank since February 27 2012 G.C. Since then, I have been advanced through progressively more responsible positions in both Appraisal and IT Departments .During my tenure for 9 years , I have developed outstanding technical and leadership skills that helped to solve practical problems encounters by our banks . I believe the bank require unique approach to achieve its vision and play significant role in the country .A passionate candidate like me with training and expertise will add value to our cherished bank to regain its reputation.

I understand the responsibility and challenges that comes with a higher role, and I believe that my positive communication skills and keen working habit will allow me to tackle the contest. I am grateful for your consideration and will be happy to discuss the opportunity in further detail.

With regards

AgegnhuGizaw

Senior Civil Engineer
