

## **MOTIVATION LETTER**

### **FOR CIVIL ENGINEERING TEAM-CRM TECHNICAL DIVISION**

Dear Sir/Madam,

I have been working in my field of study for more than twelve years; and here I have listed the reasons which make me an ideal candidate for this specific position and the visions I will do all my best for its realization.

#### **List of skills and experiences which makes me an ideal candidate for this position:-**

- I have been gathering experiences as a site engineer, quality control engineer, construction engineer, project manager, civil engineer and senior civil engineer in different organizations.
- I have a five years and above banking experience in CRM (two years as a civil engineer and three years and more as a senior civil engineer).
- I have a professional engineer IV professional licence from the ministry of construction and a professional engineer III professional licence from Ministry of Water and Irrigation.

#### **My visions for the bank's CRM technical division:-**

- Creating a valuation manual template which can be easily checked whenever necessary.
- Creating a team spirit in a check and balance way.
- Having a consistent valuation and project appraisal skill development training manuals.
- Creating a model team which will have a strong positive impact on developing the asset valuation uniformity in the country.

I would appreciate the opportunity to meet you for further discussion on my abilities.

If you have any additional questions which I have not answered in this motivation letter, please contact me by phone at +251930632005 or by e-mail at [tewodrose@dbe.com.et](mailto:tewodrose@dbe.com.et)

I look forward to your reply.

Yours sincerely,

Tewodros Endawake Taye
