TO;- DEVELOPMENT BANK OF ETHIOPIA

ADDIS ABABA

Subject: - **intent letter (cover letter)**.

I would like to justify that my exert on vacancy announcement on dated September 20,2021 as for the position of **Branch Manager Dambi Dollo branch “A”** as per criteria set by the bank on the announced vacancy online.

Accordingly, i have enough work experience around 16(sixteen) years out of which in oromia credit and saving share company (**OCSSCO**) for which on rural development of households to alleviate poverty and on MSME is a nursery of entrepreneurship, often driven by individual creativity and innovation, Economic growth with equity, Employment creations by giving training, awareness on how to manage their business for sustain development of MSE and members. In DBE I have done in Project rehabilitation and loan recovery team on SME Financing and project financing to Macro-economic goals, to support the programmers of industrialization of the country and promoting entrepreneurial activities that may helps the bank face repayment beyond their capacity to minimize degree of any loss or harm and reducing impact of loan loss.

Therefore, to be a world class DF that helps to achieve Ethiopia’s transformation vision by 2030 and to be a radiant branch in DBE in both Project financing and lease financing for government priority areas projects by 2030.

Recognizing my previous experience to perform as per the bank’s guide line with I have got from different organization and different position that might help for the credit activities that may scale up project financing and Lease Financing to Macro-economic goals ,to support the programmers of industrialization of the country and promoting entrepreneurial activities for green fields mostly of the time I have done around those area of position on that I applied was familiar with the environments culture, norms and values by communicating and giving awareness for all stockholders that may helps our branch’s performance to provides loan for the promoters, collections , safe guard the projects and leased assets within their catchment areas and may helps to facilitates for the customers for those needs government body supports and follow-up the projects .

With regards!
