

**To: Placement Team**

**Addis Ababa**

**Subject: Applying for the Position of Manager Building Administration and General Services Team.**

I am writing my interest for the vacancy dated September 11, 2021 G.C. on the banks intranet for the position of **Team Manager for Building Administration and General Service Team** which is under **Property and Facilities Management Directorate** under **Vice President for Corporate Services cluster**.

My vision is strategically thinking and performing all banks responsibilities which was cascaded from the banks vision and mission individually, as a team with team members, and at directorate level responsibly and act professionally to protect banks resources both material and financial to perform or undertake banks new organizational structure as well as banks overall responsibility and mandate which was assigned by the Federal Government to address and support the policy in an effective and efficient manner.

If i got the position I will try to do the following activities with my team members together with all respective working units.

- ❖ Protect the well being, involve in modernizing of the banks building infrastructure.
- ❖ Facilitate the smooth operation of the banks general service activities in an effective and efficient manner.
- ❖ Give service to the banks members as well as users both internal and external a standard service.
- ❖ Give expected service in an ethical manner.

I do have two degrees, BSC in Information System and BA in Management; and MBA in Management prospective graduate. I am now serving the bank as senior record officer in the record and archives management team for over five (5) years, two (2) years as records officer, my previous experiences as well as my educational background will qualify and make me best for the position.

Thank you !

Leul Bussa
